Status Conference held.

SUMMARY

Parties negotiating ESI stipulation and down to the last final strokes.

Discovery: Plaintiff reported no issues have arisen; one week delay due to change of defense counsel but nothing that has jeopardized the case management schedule. Document exchange between the parties has begun. Plaintiff has received a reasonable production from Securities and Exchange Commission.

Parties are on schedule for Class Certification. Parties are discussing the narrowing of issues. Request to extend page limit likely; Court cautioned against excessive briefing.

ADR: Court inquired as to status. Opposition to class certification motion due 11/23/2020. By then, parties should have a better idea of case analysis in order for ADR to be meaningful. Court encouraged parties to begin discussions for selection of mediator and mediation platform; sooner rather than later.

Further Status Conference set 12/3/2020 at 10:30 a.m. Joint Status Report due 11/25/2020.
